

HAZELTINE NATIONAL GOLF CLUB **NATIONAL MEMBERSHIP** **1/08**

PURPOSE: This membership category is reserved for those individuals/families who do not have a legal residence of any kind within 250 miles from the Club. National Members will either be individuals/families who have been Regular Members but who move away from the Twin Cities area or individuals who have not been Regular Members but desire to have an affiliation with the Club.

PROCESS OF ACQUIRING A NATIONAL MEMBERSHIP

- For new members the membership application process will be the same as for new Regular Members.
- National Members requesting a change to Regular Membership status must submit a membership application to the Membership Committee.
- Regular Members requesting a change to National status must submit a letter to the membership Committee requesting the change of status.

TERMS OF MEMBERSHIP

- National Membership shall be considered a family membership.
 - National Members will be subject to all rules and regulations of Regular Members.
 - Regular Members take precedence with club events such as the Invitational and Fischer Cup. Those members converting from Regular to National status will be grandfathered on any club events they played in the previous year and will not be subject to the Event Wait List.
 - Regular Members who change to a National Member status will continue to be stockholding members.
 - Individuals who become National Members who have not been Regular Members will not be stockholding members.
 - The initiation fee for a National Member who has not been a Regular Member is \$10,000. If a National Member desires to become a Regular Member he/she must pay an initiation fee equal to the initiation fee in effect at the time they desire to switch minus the \$10,000 already paid. Whether or not the National Member will be required to be on a wait list for Regular Membership will be at the discretion of the Board of Governors.
 - National Members will pay one-half of the Regular Member dues.
 - National Members will not be expected to pay food & beverage minimums.
 - National Members will be subject to one-half of all assessments.
 - Locker & club storage fees will be charged if that service is requested by the National Member.
 - National Members shall pay one half of Season Range.
 - National Members will be allowed to play no more than 20 rounds of golf per year per membership.
- * If the Board of Governors has reason to believe that for any reason the spirit of this membership is being abused, it may suspend or cancel a Member's privileges for an indefinite period of time.
- * The Board reserves the right to change or modify the conditions of the membership at any time.

All existing National Members and Non-Resident Members as of 5/1/98 will be converted to National Member status. Both set of members will be advised by mail of the change in financial arrangements. The new financial obligations will commence on their anniversary date. Existing National Members will not be asked to pay the \$5,000 initiation fee. Effective January 1, 2008, the financial obligation will be \$10, 000.

**All fees are subject to current Minnesota State Sales Tax*
